NEWCASTLE

Do your bit to protect yourself and others against Covid-19

The vaccine is our best route out of the pandemic and is already protecting millions of people across the country from serious illness

Vaccines are available via a number of routes, including pre-booked appointments and drop-in sessions.

If you need support booking your vaccine or attending your appointment, our Welfare and Wellbeing team can help, freephone 0800 170 7001

NO APPOINTMENT NEEDED
