

Spring Newsletter

March - April 2018

What Weighed 367.9kg & Came Out Of St. Peter's?

The answer is... The total weight of the food items donated by St. Peter's people to the Christmas Appeal for Newcastle East Foodbank.

Precept, the brand communications agency on St. Peter's Wharf, voluntarily organised the collection over two days in December. The team afterwards received a letter from the Foodbank thanking everyone who lives and works in St. Peter's for their donations.

Newcastle East Foodbank also confirmed the total donation weight was an enormous 367.9kg. That's nearly 58 stones. The Foodbank said this total

weight was the equivalent of 448 meals.

St. Peter's Neighbourhood Association and Precept are now looking forward to running another collection for Newcastle East Foodbank in 2018.

Thank you everyone for your support in making the first collection so successfully memorable, and for helping in making a difference to other Newcastle families and people.

Nights out in St. Peter's

Going into Spring, Merchants' Tavern has a full schedule of events for everyone's diary, which include:

Every Week:

101 Northumbria Police

101 is the number to call Northumbria Police for any non-emergency issues such as minor traffic collisions, criminal damage, anti-social behaviour, or about an issue affecting our neighbourhood.

When calling 101, the system determines your location and plays a recorded message announcing the police force you will be connected to. Calls to 101 cost 15p per call (landline or mobile), no matter what time of day it is, or how long the call lasts.

You should continue to call 999 in an emergency - when a crime is in progress, if there is danger to life or violence is being used or threatened.

In Short (But Not Least!)

St. Peter's neighbourhood now has its own notice board for use by residents, businesses and people who work here.

To make a posting, please contact:
secretary@stpetersnewcastle.co.uk.

Everyone attending the St. Peter's Christmas Party had another great evening. Big thanks go to Merchants' Tavern, Precept and Walton Robinson in helping to make the event such a success.

Northumbria Police advise that serious crime in St. Peter's is relatively limited. But, everyone is warned against opportunists. Please ensure that cars' and home doors and windows are not left unlocked, and any "useful" gardening or similar tools are not left out for criminal opportunist use.

If you find that you are time-poor but would like to help the Association with its work by giving fundraising prizes or financially, then please drop a line to:
secretary@stpetersnewcastle.co.uk.

Spring Start For Gardeners

St. Peter's Volunteers Gardeners have already started making in-roads into new projects.

Having had their attention drawn to the Village Green by residents, the team has been busy cutting back and clearing this site between Dobson Crescent and Rowes Mews. The overgrown hedge at The Fish with Two Heads, and a junction visibility-hazard, has also been cut down.

The Association has again been successful in winning a Ward-Aid grant from Newcastle City Council. The grant money will help the volunteers at both sites with new planting and other improvements.

If you would like to join the volunteers, or support their work financially, then please let them know via:
secretary@stpetersnewcastle.co.uk.
