Hat, mac, Land Rover, cameras – Vera's been to St. Peter's

Led by BAFTA and Golden Globe award-winner and two-time OSCAR nominee actress Brenda Blethyn, filming of ITV's Vera series nine arrived at St. Peter's Marina at the beginning of the month.

The cast and crew were all smiles throughout the day's filming and were not giving away any clues behind the story. Wrapping up nearly six

months of North East location filming, St. Peter's will feature in a new two-hour episode to air in the New Year.

Living Advent Calendar

We're looking to make December 2018 in St. Peter's memorable, festive and neighbourly by seeking volunteers – businesses and residents – who want to support our Living Advent Calendar at St. Peter's.

The volunteers will decorate a window or two in the style of an Advent Calendar. And on their allocated day unveil their window display for everyone to see at 7pm. A new window will be unveiled each day, encouraging everyone to take a stroll each evening to see each day's new window, and all the others as December progresses.

We're looking for 24 volunteers and 24 windows to take part. This is one for businesses and residents alike! Please drop organiser Jon Bryan an email to volunteer on jonmbryan@gmail.com

St Peter's Friday Gardening Group

Have you ever wondered who has been gardening in St. Peter's green and communal areas? The chances are it would have been the Friday Gardening Group, and not the fairies. This is a friendly group of St. Peter's volunteers who turn out on a Friday morning and

simply get on with it, in sorts of weather. If you wish to join them or donate to their work, then please contact secretary@stpetersnewcastle.co.uk. And if you do see the gardeners out, then a cup of tea and a chat are always very much appreciated.
